Report of Principal and School Improvement Council

The 2009-2010 school year has been a great one at Latta Middle School, and we have many accomplishments to be proud of.

This is our second year of offering Algebra 1 to all 8th grade students. Last year we scored above the state average on the End of Course exam for Algebra 1 in our first attempt.

We are in the process of completing the Viking Laptop Academy. Through this initiative, we have issued a laptop to every eighth grade student and provided the services of an Instructional Technology Coach to strengthen the technology proficiency of both students and teachers.

The Academic Challenge team placed first at the Academic Challenge Match. We have begun a gifted and talented art program. Seven of our students were selected as Junior Scholars and two as Duke Scholars.

We were able to achieve these levels because of the efforts of an excellent teaching faculty, the support of our parents, the efforts of our students, and the trust that exists between the schools and the people of our community.

While we have accomplished a great deal this past academic year, we look forward to the challenges of the 2009-2010 school year.
